Flag A

The president of the Chamarajanagar Town Municipal Council has, in his letter dated 24-5-41 reported that there is a competition between the merchants of Chamarajanagar Town and those of the neighbouring places and that the latter can afford to sell the iron implements at a cheaper rate in view of the levy of octroi duty on iron by the Chamarajanagar Town Municipality, and the merchants of this place have accordingly urged for its abolition

If octroi on iron in this Municipality is taken away, the Municipality will lose its income to an extent of Rs 90/- per annum which of course is a small amount- As the price of iron ~~is~~ is going high, the abolition of the octroi duty on this item will be appreciated by the residents at-
